

SAMRAT WATER TANKS

SERIES "S-WSSC" CLYINDRICAL VERTICAL TANK WITH CLOSE TOP

CODE-NO		CAPACITY (IN LITRES)	DIMENSION (CMS)		
			DIA	HEIGHT	MANHOLE
S-WSCC	20-01	200	53	76	28
S-WSCC	30-01	300	73	78	37
S-WSCC	50-01	500	82	96	37
S-WSCC	75-01	750	96	112	37
S-WSCC	100-01	1000	107	126	37
S-WSCC	150-01	1500	131	127	37
S-WSCC	200-01	2000	140	150	49

1. 100% HYGIENIC

Non-Toxic, Non-Absorbent and FDA approved Polyethylene material is used and hence its safe use in contact with food, Pharma Ceuticals & Drinking Water. Tank does not impart any tests for smooth walled inner surface and so it is easy to clean and does not Promote the Growth of Bacteria. This makes it ideal for Water Storage.

2. BETTER STRENGTH

SAMRAT Tanks are made from Polyethylene and they have got infinite impact strength. therefore they are almost unbreakable.

3. INSULATING

As Polyethylene is bad conductor it keeps the water hot or cold for longer time than the Mild Steel and RCC Tanks.

4. LOW COST AND DURABLE

SAMRAT Tanks have got number of advantages. It costs less than M.S. Tanks. almost same as RCC. Tanks are Expected to give three time the life of M.S. and around two times the life of RCC Tank.

5. LEAK PROOF

SAMRAT Tanks are made under Rotational Moulding process and they are one Piece moulded without Seams or Joints & hence it is a leak Proof.

6. LIGHT WEIGHT

SAMRAT Tanks are extremely light weight and hence easy to carry & Install.

7. EASY TO MAINTAIN

Non-Corrodng SAMRAT Tanks do not need painting or Anti-Corrosive treatment, it is Resistant to Ultraviolet Ray and Can be safely installed out-door.

8. READILY AVAILABLE

Saves time of Construction & Eliminates delay.

9. WIDE RANGE

Available in Various Capacities From 200 LITRES to 2,000 LITRES

10. MATERIAL

- Made From Linear Low Density Poly ethylene (L.L.D.P.E.).
- Made from 100% Virgin Material.

SAMRAT

Triple Layer Water Tanks

**Triple
layer
Benefit**

Beauty, Durability & Purity

**New generation overhead tank
that adds beauty to your building**

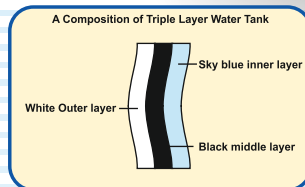

RANGE & SPECIFICATION :

CODE-NO		CAPACITY (IN LITRES)	DIMENSION (CMS)		
			DIA	HEIGHT	MANHOLE
S-WSCC	50-01	500	82	96	37
S-WSCC	75-01	750	96	112	37
S-WSCC	100-01	1000	107	126	37
S-WSCC	150-01	1500	131	127	37
S-WSCC	200-01	2000	140	150	37

UNIQUE FEATURES :

- 100 % UV Stabilize
- Multilayer
- Algae formation protection
- Attractive looking & packing
- Durable & economical
- No maintenance
- Leak proof
- Rust proof
- Moulded to seamless perfection

SAMRAT with its revolutionary black overhead water tank changed the way India stored water. Now with equal panache, it is once again going to change the face of Indian houses with its brilliant new product: SAMRAT Triple Layer White Tank. Its bright white colour adds aesthetical value to your building. The three layer wall not only controls the inside temperature, it actually makes the water storage more hygienic. Moreover, tank gets extra strength hence longer life.

So go for the triple benefits of SAMRAT Triple Layer White Tank.
